**Note:**

- 1) Address, Telephone and Email are requested in case we need to contact you. Only Name, Callsign and Membership Number will be included with submission of cards to ARRL.
- 2) You must be a Member of BOTH the ARRL and HCRA to use this service.

## INSTRUCTIONS:

- 1.) Complete this form in its entirety and include the first page with your cards.
- 2.) *Please* sort your card in accordance with the ARRL Outgoing QSL Service rules. (See ARRL website for instructions).
- 3.) *Only* include cards for countries with Incoming QSL Bureaus. The ARRL website also includes a current list of those countries which do *NOT* have an incoming bureau.
- 4.) If your QSO contact uses a *QSL Manager* (often the case if the country does not have a bureau) please indicate the manager on the same side as the QSO information, preferably in the *upper left corner* and the word "VIA" followed by the manager callsign. Then, sort the card by the QSL manager's country.
- 5.) *Finally*, consult a site such as QRZ.com for QSL instructions. You may find the station states "No Bureau" particularly if they do not belong to their country's amateur radio society or group that runs their bureau. In these cases, they may never receive your card.
